Brief description of filing. (If filing follows rates of an advisory organization, specify organization): Safeco's Watercraft program was initially created as an accommodation to the company's major product offerings. Over the years, the Watercraft product has developed into a stand-alone line of business. As the product continues to evolve, adding segmentation in rating is necessary to ensure long-term stability. We are introducing Length/Horsepower, Driver Age and Marital status rate segmentation.

In making our selections, we are proposing an overall impact of +2.2%.
